 - If positions are still even, the point's difference calculated by the total points scored minus points conceded shall be used, with the greater number giving the higher position.

- If the positions are still equal, positions will be determined by the toss of a coin which shall be carried out at such time and place as the RFL shall direct and those Clubs concerned shall be entitled to witness the toss.

4.11.3 The notional score in forfeited games shall be 24-0, plus a points deduction of 3 points from the offending team's total.

5. FIXTURES

5.1 All games must be played as per the fixture list, or the points for such games forfeited, unless an alternative date mutually agreeable by both teams and the Competition Officer be sought.

5.2 Where programmed into the fixture program, backlog dates should not be considered as a free weekend and a team should be prepared to be allocated fixtures on these days.

5.3 Postponements will not be considered because of injuries, or any other matter not considered exceptional.

5.4 Any club desiring to arrange a friendly must seek permission from the Competition Officer. No friendly fixtures shall be arranged on a League fixture date without prior approval of the Competition Officer.

5.5 Clubs must accept fixtures given at seven days' notice by the Competition Officer.

5.6 If a fixture cannot be played on the date scheduled on the fixture list and providing both clubs agree to the fixture being played on another day/date where both teams are free, then a Fixture Amendment Form must be filled in, signed by both clubs involved, and sent to the Competition Officer. If both clubs cannot agree on a rescheduled day/date, then the fixture will go ahead on the original date set out on the fixture list.

5.7 If a team fails to participate in a fixture organised by the Leagues Fixtures Secretary, then the offending team will be liable to a £10 fine, in addition to having three (3) points deducted from their total allocation of points. The fixture would then be awarded to their opponents.

5.8 Any club with more than one team at home, in any competition, must provide an alternative pitch in case of a clash of fixtures.

5.9 Where a club plays its home fixtures on a pitch that is the property of a school or a local authority and a fixture is called off by the landlords, then the club involved must obtain a certificate signed by a person of authority certifying that the ground is unfit for play. If no certificate is received by the Competition Officer within seven (7) days, then the game will be awarded to their opponents.

5.10 Postponements

5.10.1 In the event of the home club suspecting that its ground will not be fit for play owing to adverse weather conditions or other cause, the home club must immediately call a Match Official on the approved list recognised by the RFL to carry out a ground inspection. If the Match Official

states the ground is not fit for play, and in their opinion, there is no chance of it being so before the scheduled kick off, then that decision must be communicated immediately to the visiting Club, appointed Match Official and the Competition Officer. Any club failing to fulfil this instruction may be subject to disciplinary action.

5.10.2 When a game is unable to go ahead as scheduled, **BOTH** teams should notify Joe Elliott and the Competition Officer via email to confirm if the game is being postponed until a later date or conceded and the points claimed by the opposing side.

5.10.3 All postponements must be notified to the Competition Officer by 10.00am on Sunday.

6. PLAYER REGISTRATIONS

6.1 All players should annually register to the club using the RFL GameDay system. The League will circulate a link to the registration portal to all clubs to commence the registration process. During this process a Player must become an Our League Active member.

6.2 All players should be registered in accordance with the Operational Rules. A maximum of 25 players can register per team in the WCPYJL, however fifteen is the minimum number per team and scheduled fixtures will be refused until 15 players are registered.

6.3 Once a player is de-registered by a club, he can then apply to the Leagues Management Committee for permission to then become a 'free agent'. All club paperwork connected with the de-registering of a player, must be authorized by the leaving clubs Chairman and Secretary.

6.4 In the event that a player's original club does not have the resources to field a team at the players age group, then the player has the ability to move to a different club for one season. If the player then chooses to move back to his original club after that period, then he would not be subject to the transfer rules.

6.5 Transfers

6.5.1 Teams may register, by transfer, three Players only per season from different Clubs. The Management Group may relax this rule, at their discretion, as deemed appropriate to meet the needs of the Competition.

6.5.2 If it is agreeable by ALL concerned that two players are allowed to transfer from one club to another in any season, then that will be their quota for that season. No other transfers will be granted to that particular club.

6.5.3 It is the responsibility of the Club the player is moving to, to initiate the transfer. The parent/guardian has final sign off of the transfer. The process must be completed in full, including parent/guardian sign off, before a player can play. The Competition Officer will communicate further details on the process.

6.5.4 The deadline date for transferring of players shall be the 1st June each year.
